

Take the StrataCare SuperHighway To Streamlined Bill Review and Claims Processing

Now you can soar above typical workers' compensation paper claims gridlock by traveling on StrataCare's SuperHighway. Join best-in-class Insurance Companies, Third Party Administrators and Self-Insured Employers on your journey to improved outcomes and lower claims costs.

The SuperHighway provides our clients with a seamless workflow process that integrates state-of-the-art products and resources while providing greater access to real-time information. They know that eliminating paper bills and utilizing cutting-edge bill review technology delivers maximum efficiency—with unmatched precision and accuracy.

Let your workflow process fly above the rest. Travel with StrataCare.
